

Meet @HomeBuilder_Watcher,
The Most Prolific MiMedx Pumper on Stocktwits

WHY ARE YOU HIDING???

Was Retired Tax Attorney David Furstenberg given information by Pete ahead of it becoming known to the market?

@Home_BuilderWatcher says he is a “retired tax attorney” who retired at 54 years of age.

In his spare time, he enjoys trolling women online:

\$MDXG Hey Mary. Threaten me again. Please. You have no idea who I am. Nothing worse than a retired attorney with time on his hands. I know

@Archerspyman @rxfsr sorry if I misinterpreted your post. Not sure if I qualify as wealthy but comfy enough to have retired at 54

@manning3 it's gone international with regulators. Remember Capone and those like him. Take it from a tax attorney. They have no idea

\$MDXG BTW Mary, that's a retired tax attorney (happily at a young age) rather than “washed up”. Big difference but thanks for the kind words

David Furstenberg of Michigan is 57 years old and a retired tax attorney who – according to his LinkedIn – is a BIG fan of Mimedx:

David Furstenberg
Director of Taxes at PulteGroup, Inc. (Retired)

For a guy who claims to be a “HomeBuilder” Watcher, pretty odd that the only home builder he seems to care about is Pulte – Furstenberg’s former employer:

Homebuilder_Watcher also knew ahead of time that MiMedx was going to file lawsuits against Capitol Forum and against Short Sellers:

Posts from September 7 – homebuilder_watcher indicates Mimedx is going to sue Capitol Forum

\$MDXG will be against that site

\$MDXG there is no link to "investigation" since there is none. Capital site is a pay for news or fake news website. Next lawsuit for MDXG

@inlining I can't wait for this new fictional piece to come out, and tear holes in the poorly fabricated lies.

@captkev @inlining it came out last night. More crap and more ammo for the upcoming lawsuit to be filed against them.

Suit against short sellers not filed until October 4

And what do you know? Homebuilder_Watcher is also pushing the cancer story on the message boards – trying to down play the real reason for Pete getting the boot from MiMedx:

\$MDXG Just heard from a friend that Pete was diagnosed with bladder **cancer** 4 weeks ago. I am sure Cohodes will rejoice in this bit all

And as with all Mimedx pumpers, he freely defames and harasses Mimedx whistleblowers:

\$MDXG Hope the “vanishing act” has saved the money she has been paid by shorts. She will need it. Gave her a chance. twitter.com/nuvmary/status/...

Wow. Great fella we got here.
